

Essentials Group,

This Sunday evening we will work through the book of Colossians connecting all the themes from the first 5 weeks. Here is what you can do to prepare:

- Read through the Letter to the Colossians (it takes 15 minutes).
- Look at things through the lens of what is gospel proclamation to them, and what is the teaching that steers them in what is expected behavior from them?
- Look at anything that might be repeated from last week's study in Ephesians (looking for common phrasing or language).

Pastor Jeff
